# Thank you for choosing Mt. Helix Park for your upcoming event!

Mt. Helix Park's historic amphitheater and nature preserve rests on one of the highest peaks in San Diego County at 1,400ft. The top of the Park boasts 360 views with a 35 ft memorial Cross and historical monument. The amphitheater faces east and is home to the second longest-running Sunrise Easter Service in the United States with a capacity of 2,000 people. Mt. Helix Park provides a one-of-a-kind spectacular backdrop for your special event. Built in 1925 to honor a mother, the Park is a place of historical interest, a cultural epicenter, and home to a native habitat that supports endangered pollinators. Through events like yours, we are able to keep this historical park open to the public for generations to come.

# What To Know

We're a unique historic outdoor venue. Below are tips and knowledge to better help you prepare for your event. If you have any questions please contact [mkirk@mthelixpark.org](mailto:mkirk@mthelixpark.org) or call 619.741.4363.

- We are a rain-or-shine event space, please take the proper precautions.
  - The upper parking lot will fit anywhere from 10-18 cars depending on size. The entire parking lot is included, you may double park all cars.
  - We don't have plumbing and utilize portable toilets located to the left of the parking lot.
  - We do not have running water except for two drinking fountains located in the kiosk garden and the entrance to the Yawkey Trail.
  - There are 7 electrical outlets located in the stage/orchestra pit, 4 located in the cross, and 3 in the cross plaza.
  - There are two stadium lights located on both sides of the orchestra pit. The cross does not have lighting except the cross itself.
  - This is an outdoor space. Please advise guests to wear the proper shoes and clothing. As a historic venue, the ground is not perfectly flat. The temperature will drop when the sun sets in the stone amphitheater.
  - The Mt. Helix Basic package is a partial rental. Included: the parking lot and your choice of the cross area or orchestra/stage area. The park is still open to the public EXCEPT your rented areas.
  - The Crown Jewel package is an entire park rental. The park will be closed to just your event. Included: large round tables and 200 chairs. (Linens not included)
  - The 60' round tables seat 8 - 10 and the 72' round tables seat 10 - 12
  - Shuttles will pick up guests from our Fire Station Lot on Vivera Dr. This is an unpaved dirt lot, please advise guests.
  - The Cross Plaza area will need a vehicle to take rental equipment to and from the storage room.
  - Advise guests there is a short walk from the parking area to the Cross Plaza up a hill or stairs. (High heels are not recommended.)
